

# ANTI-TERRORISM OPERATIONS – CONCEPT AND SPECIFICS IN THEIR CONDUCT

**Marin Grigorov**

**Abstract:** *In recent decades, terrorism, along with organized crime, have become major threats to national and global security. Countering these phenomena, and especially the fight against terrorism, requires the joint efforts of the armed forces and law enforcement agencies. Among the most common forms of counter-terrorism are anti-terrorist operations.*

**Key words:** *terrorism, tactics, antiterrorist operation.*
